### ITINERARY

#### **SATURDAY, September 10th**

Depart from your home airport to Shannon Airport in County Clare.

#### **SUNDAY, September 11th – Morning arrival at Shannon Airport**

Please plan on arriving at Shannon Airport between 6am and 9am and once you have cleared Irish Customs, you will be heartily met by Joanie Madden along with your Caddie Tours driver/guide and they will welcome you to Ireland and escort you and your luggage to the coach.

Departing Shannon, we will travel north onto the bustling town of Galway City where we will stop for breakfast and a stretch of the legs before we begin our journey into the wild and beautiful landscape known as Connemara. Leaving Galway City, we head west through the picturesque town of Oughterard, before passing the "Quiet Man Bridge" made famous by John Wayne and Maureen O'Hara. As we get deeper into Connemara, we'll discover the mountain range known as the 12 Bens before turning off at Recess and embarking on a drive considered by many as one of the most scenic in the world, the gorgeous Inagh Valley. As the road winds its way through the majestic heather covered mountains and around the cascading lakes and mountains, there is literally a photo opportunity at every turn. We then arrive into the heart of Connemara, the town of Clifden, where we will check into the Station House Hotel for two nights.

Feel free to take a nap and rest up before dinner and Joanie and her guests as they provide an evening of music and song.
