SUNDAY, OCTOBER 2ND – CLIFFS OF MOHER AND AILWEE CAVES

After breakfast we'll drive through Ireland's stony place – The Burren, County Clare. You can find villages abandoned since famine times and green roads on which you can walk for miles without ever seeing a car. The Burren is a place full of wonder, beauty and discovery. Let the staff at **AILLWEE** welcome you to the dramatic underworld of this area. Expert guides will accompany and inform you during your leisurely tour. The tour consists of a 30-minute stroll through the beautiful caverns – over bridged chasms, under weird formations and alongside the thunderous waterfall which sometimes gently sprays the unsuspecting visitor! Marvel at the frozen waterfall and explore the now extinct brown bears' bones (*ursos arctos*). The guides will bring you back to the outside world where you can browse and shop in a distinctly different gift shop which is housed in the award-winning complex that guards the entrance to

the Burren underground. See the dynamic flying displays of the Birds of Prey. Continuing on to the Cliffs of Moher here you will see astonishing impressive and staggeringly beautiful. The entirely vertical cliffs rise to a height of 203m, their edge falling away abruptly into a ceaselessly churning Atlantic. A progression of vast heads, the dark limestone marches in a rigid formation that's gob-smacking, no matter how many times you look at it. As you leave the cliffs you'll travel through the little village of Liscannor and just across the bay, you'll see the beautiful seaside village and golfers' mecca, Lahinch. Continue to Spanish Point for the overnight at the Armada Hotel. Join your fellow travelers for dinner tonight in the hotel.
