Whether you are a fan of Star Wars, or just the isle of Ireland in general, this is the small escorted group tour for you! Each year, the beautiful village of Portmagee in County Kerry hosts a May the 4<sup>th</sup> Be With You Festival celebrating the global phenomenon of the film franchise that has engaged fans since 1977. Why Kerry? Because this is where the last few movies were made along the breathtaking Skellig Coast on the Wild Atlantic Way. In addition to attending the fun film activities at the May the 4<sup>th</sup> festival, our tour will also feature the best Ireland has to offer in terms of unsurpassed hospitality in 5-Star luxury accommodations, jaw-dropping scenery along the coast, gourmet cuisine, and live traditional music better than any cantina band this side of Tatooine.

Singer-songwriter and author Tara O’Grady will be your guide on this galactic journey of the south of Ireland. As a former teacher of film studies, she has curated an exciting adventure for all you cinephiles and historians alike. Expect a true balance of art, nature, culture and cuisine as you explore Ireland with one of her talented and inspiring native daughters.

### HIGHLIGHTS:

- Private escort on a small coach bus where you’ll be “lifted and landed, wined and dined.” Not once will you have to carry your luggage from the moment we arrive at the airport. Full Irish Breakfast included daily, plus five sumptuous dinners. Backstage tour of the Siamsa Tire National Folk Theatre in Tralee where we will meet local artists and experience a private traditional Irish music performance in a ring fort. Explore the Dingle peninsula with local filmmaker Maurice Galway who will show us the exact locations where the recent Star Wars films were made, including access to the famous Beehive huts where the Jedi Luke Skywalker was hiding. Access to the Sci-Fi Film Festival and the many scheduled events during the May the 4<sup>th</sup> With You Fest, including the unveiling of a new Luke Skywalker statue (organizers say we should expect a surprise guest to attend...)
- Castle accommodations – We begin the tour at the luxurious Ballyseede Castle in Tralee, and end the tour at the 5-star Dromoland Castle in Clare where we will experience hunting with hawks. If you’ve never had a bird of prey land on your forearm, this will be a thrilling activity to add to your bucket list! Seaside Resorts – During the festival, we are staying in Waterville at the Butler Arms Hotel, a seaside resort where Charlie Chaplin stayed every summer for ten years of his life. The actor said it was his favorite place in the world, that’s why they have a statue of him on the property and the resort hosts a film fest of his movies each August. On the Dingle peninsula, we also stay at a seaside resort – Dingle Skellig Hotel. So be prepared to have your breath taken away as you wake each morning. Free time to sleep late, wander through castle gardens, schedule a spa treatment, play a round of golf, take long walks on the beach, lunch in quaint towns, shop for Irish wool sweaters, visit local pubs, listen to live music, and meet the locals.

## Thursday, May 4 - May the Fourth Be With You Festival & Seaside Resort, Waterville

After **breakfast** in our castle, we depart at **10am** to head to the main attraction, the Star Wars Sci-Fi festival in Portmagee and Valentia Island, just over an hour away. The phrase "May the Force Be with You" is just as powerful as the Irish blessing "May the Road Rise to Meet You" referring to your journey in life. The Irish landscape has an energy, or force, that Hollywood recognized when they were location scouting for their latest filmmaking endeavors across the universe. The Kingdom of Kerry is where they found the most breathtaking other-worldly setting. We will be exploring this setting over the next few days, in addition to participating in the numerous activities scheduled by the festival organizers. Be prepared to see all things related to the film, and feel free to bring a themed costume to fit in with the locals who will be dressing up as their favorite characters from Storm Troopers to Jedi Knights to get attention and discounts. The festival website will be updated in April with the exact schedule of events, which in the past included a light saber parade, star gazing, outdoor screenings of the films, Galactic Disco Cantina, Yoda Yoga, and lectures from filmmakers and fans alike. This year they are unveiling a statue of Luke Skywalker and hint that a "celebrity" will be in attendance. This is a festival, and like any other Irish festival, there will be music and merriment in the streets, food trucks, Guinness on tap, and surprises at every corner. Once we check in to our seaside resort, we will take our land cruiser to the center of the action and explore with the locals. Tonight is the opening ceremony and social meet and greet. Most of the festival events are free. For festival schedule updates, visit their website - [www.maythe4thbewithyoufestival.com](http://www.maythe4thbewithyoufestival.com)

**OVERNIGHT: BUTLER ARMS HOTEL (B)**

## Friday, May 5 - FREE DAY

Enjoy **breakfast** in our hotel with beautiful views of Ballinskelligs Bay situated on the seafront in Waterville Village on the Wild Atlantic Way. Actor Charlie Chaplin stayed at this hotel every summer from 1959 to 1971, and that's why there is a statue of him out on the beachfront. The Hollywood legend was born in England, but adored this exact location in Ireland. His friend Walt Disney recommended the area for its fly fishing. It was ranked in 2019 as one of the best places to stay in Ireland. The hotel even named the restaurant Charlie after their favorite guest. Waterville is a tranquil and picturesque village with amazing views of the sea and the Kerry Mountains. With a generous helping of friendly Kerry hospitality it is no wonder that the Chaplin family fell in love with it. Apart from Chaplin and Disney, The Butler Arms has also been the accommodation of choice with other well-known celebrities. While filming at the beehive huts on the nearby Skellig Michael, Mark Hamill, Daisy Ridley, JJ Abrams, Kathleen Lucas, along with the crew of Star Wars Episode VII and Episode VIII, stayed at the hotel in 2014 and 2015. Michael Douglas and family, along with sporting stars Dan Marino and Wayne Gretzky have also stayed at this very impressive, family owned hotel. In addition to the Star Wars festival activities in Portmagee and Valentia Island (TBA), we have a free day to explore the area. You may want to walk on the Waterville beach, play a round of golf, or go fishing. We will gather for dinner in our hotel's restaurant this evening.

In the **afternoon**, you are free to explore the quaint town of Dingle itself, ranked by the Irish as one of the top three towns in the entire country. Bohemian, artistic, and genuinely friendly, Dingle is famed for its hardware pubs (where you can buy a pint and some wellies).
